# YOU ARE SOLDIERS

## Taken from Words From The Father's Heart

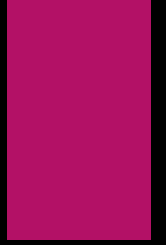

### Vol 8. pg 13-14

My daughters, I am militant in nature and I have called you as soldiers. If you want Me to leave you and civilians I will, But if you want Me to train you, I will. The choice is yours. If you want to be a good soldier you have to submit to the required training. Develop the discipline of a soldier. You have to be militant in nature. But if you want ME to leave you as civilians. I will leave you to do your own thing. And go the way you want to go. Without training, you cannot be toughened; And you can't handle serious matters. You will be chicken hearted. Without training, you can't be brave, take risks, or be adventurous. No training is joyous for the moment. But after, it gives joy to the person who has submitted to the rigours of training. Like a good soldier of the Lord, you must endure hardship. If you want Me to withdraw My hand from training you I will withdraw. That is why I told you that this is a unique move. I am not working with civilians but with soldiers. I am working with an army and there is a difference. For a civilian is free in so many ways. But a soldier is subjected to discipline.

A soldier I confined. A soldier takes orders. A soldier does not do as he wants. But as the commander directs. A civilian does not go to battle; It is a soldier that fights battles. For a soldier to be fit for combat and stand in the face of war. He has to be trained and function like a soldier.
